

EXHIBITOR INFORMATION

About Global Pet Expo and PetQuip

- Over 964 exhibitors, 2,686 booths
- 5,327 buyers from 50 States and more than 77 countries
- Major distributors, mass market retailers, independents, speciality buyers and e-tailers
- Wide range of pet products from cat and dog accessories through to aquatics and reptiles, small mammals such as rabbits and rodents, birds and equine products
- Exhibit for around £1,000, net of UK Trade & Investment funding!

Organised by the American Pet Products Association (APPA) and staged in conjunction with PIDA (Pet Industry Distributors Association), Global Pet Expo is the largest North American trade show for the pet care sector and draws international buyers of pet supplies from the USA, Canada and around the world. 2014 sees Global Pet Expo celebrate its 10th Anniversary, it attracts the key players within the industry and all who visit are 'qualified attendees' - the large pet shop chains and pet superstores, supermarkets and mass merchandisers, speciality buyers and e-tailers and of course the key distributors and wholesalers, several of whom also exhibit at the show. The whole show has a buzz of business about it. Around a quarter of the 5,327 qualified attendees are major distributors and retailers from overseas. This sets Global Pet Expo aside from the other main pet shows in the States which cater more for independent retailers, groomers and trainers.

"GPE introduced us to companies way beyond our usual reach, American companies were decisive and had an optimism about them."

"The best US show we have ever had"

"A triumph! The show had exceeded my expectations by around 1.15 on the first day!"

Global Pet Expo Exhibitors 2013

The American market for pet supplies continues to grow, the US pet market is estimated to reach over \$55.5 billion up from \$53.3 billion in 2012.

Following the success of the British group at the last three editions of Global Pet Expo, PetQuip is organising a British pavilion area and group participation at the next edition and has once again negotiated a package with the organisers within the international pavilion. As a result, new British pavilion exhibitors do not have to join the APPA in order to exhibit. PetQuip has also secured grants and support for British firms under UK Trade & Investment's Tradeshow Access Programme. **The Scheme allows eligible British exporters participating in the group to obtain grants of £2,000 towards exhibiting costs.**

In addition to running its information booth at the show where we will be promoting PetQuip members and exports from the UK, PetQuip is working closely with the APPA to provide exhibitor packages, advance marketing and PR, help with travel, accommodation, freight forwarding, logistics and market information. **We are pleased to have the opportunity to help you have a smooth and trouble-free show and look forward to working with you to make your participation at Global Pet Expo 2014 a success.**

Other cost factors to budget for:

Travel and accommodation: So that exhibitors can make the most of any networking opportunities and share experiences, we would encourage everyone to stay in the same hotel if possible, though we appreciate everyone has their own budget / personal preferences. We have identified a suitable group hotel – the Doubletree by Hilton Orlando at SeaWorld, International Drive. It is available to book through the Global Pet Expo website www.globalpetexpo.org (select the hotel and travel option on the home page). The room cost per night is \$103 plus a total of 12.5% taxes per night. If you are interested in staying at this designated group hotel, we would urge you to make your reservation as quickly as possible please, no deposit is required and the hotel cancellation policy is “Your reservation must be cancelled no later than 3pm local hotel time, 24 hours prior to arrival in order to avoid a cancellation penalty of 1 night’s room and tax. Departure prior to the date confirmed by the hotel at check in will result in a charge of 1 nights’ room and tax”.

Currently flights with Virgin Atlantic, flying out on Monday 10 March and returning Sunday 16 March, flying Economy are advertised at around £486. Sadly, returning on the Saturday incurs over £1,000 price hike! As usual, it is cheaper to stay over on the Saturday night.

The Doubletree by Hilton Orlando at SeaWorld

The Doubletree by Hilton Orlando at SeaWorld is a three star hotel that is ideal in terms of location and is reasonably priced. Located on International Drive, around 15 minutes walk from Orange County Convention Center, the Doubletree has recently undergone a complete renovation. Reviews on TripAdvisor are varied but, on the whole, it seems to provide comfort and a range of facilities at a relatively reasonable price. Reviews of similarly rated hotels are also varied! This will be the fourth year that the group has been based at this hotel.

The hotel suits the business traveller with large and spacious rooms, each room has a large work area with lamp, high speed internet access (at a charge), coffee maker with complimentary tea and coffee making facilities, laundry services and a full service business centre. There is also a fitness centre and onsite dining; including an informal restaurant, a deli and bars. For further details on the hotel and its facilities, please see the web link below.

Doubletree by Hilton Orlando at SeaWorld, 10100 International Drive, Orlando, Florida 32821
Tel: 407 352 1100 or www.doubletreeorlandoidrive.com

There are, of course, other options of booking a “package holiday” as this may reduce costs and allow you to return on the Saturday. Please shop around, in the past we have found that Expedia and Virgin Atlantic ‘package holidays’ can be a cost effective way of attending the show, so please check out the website for offers. Please note that during our research we were unable to secure a package holiday incorporating The Doubletree by Hilton Orlando at SeaWorld.

Getting your goods to the show: With shipping costs to the US being high and almost double if you return a shipment after the show, a one-way consignment is advised and products either sold to a perspective customer or donated to charity. Hand carrying is an option, though you would need to be prepared for customs. PetQuip is negotiating a rate that would-be exhibitors could take advantage of to combine hand carrying with sending a small air freight consignment from a UK warehouse direct to the show site (max of around 400 kilos). The cost very much depends on take up but we estimate around £300 + drayage / material handling charges imposed by the organisers. Details of options for sea and air freight will be distributed to exhibitors in due course. *Drayage/material handling charges are applied to all consignments submitted to the Global Pet Expo advance warehouse. They are usually around £37 per cwt (minimum charge 1cwt).*

**UKTI TRADESHOW ACCESS PROGRAMME SUPPORT SCHEME
FOR OVERSEAS EXHIBITIONS
TERMS AND CONDITIONS FOR EXHIBITORS
2013-14 and 2014-15**

BACKGROUND

UK Trade & Investment (UKTI) will, at its discretion, provide support for businesses taking part in overseas exhibitions between 1 April 2013 and 31 March 2015. For the purposes of these terms and conditions overseas exhibitions are defined as:

- involving the display of products and services on exhibition stands or areas by businesses and other organisations with the objective of attracting commercial interest in those products and services; and
- taking place outside the United Kingdom and being international in terms of representation i.e. involving exhibitors from more than one country; and
- dealing with trade representatives rather than the public; and
- using stand space or area that is designed for the purpose of an exhibition and not for any additional use not specifically connected to exhibiting.

Alternatively an eligible event can be:

- an overseas commercial conference where the business has paid for the opportunity to promote its goods or services to a trade audience.

The objective of exhibition support is to help, primarily, newly exporting Small & Medium Sized Enterprises (SMEs) to learn how to use exhibitions as a key tool in their trade development plans. The support is intended to work most efficiently as part of a development programme for eligible businesses which Accredited

Trade Organisations (ATOs) and UKTI's regional network can help to facilitate.

A central principle of this, and all UKTI grant, is that it should make something happen that would not happen otherwise. Each eligible business is entitled to exhibit with grant support on a total of twelve occasions which must include at least six participations in the emerging and high growth markets (listed below), the twelve being counted from 1 April 2009.

Brazil	Mexico	Taiwan
China	Qatar	Thailand
Colombia	Russia	Turkey
Egypt	Saudi Arabia	UAE
India	Singapore	Vietnam
Indonesia	South Africa	Hong Kong
Malaysia	South Korea	

ATOs will help those businesses approved for grant to participate effectively in an exhibition and International Trade Teams in UKTI's regional network will also help those businesses, where appropriate. Participating businesses are expected to take up any offers of non-chargeable assistance made in this context.

At many events the relevant ATOs will be expected to provide enhancements for the group presence to make it more effective and will be remunerated for this by UKTI.

If ATOs charge supported participants a service or management fee in connection with their participation, the services to be covered in return for the charge must be fully explained to participants at the time of recruitment. Such ATO charges should relate to costs wholly distinct from their administration of the business's UKTI grant application and from the UKTI funded enhanced services.

It is expected that participants will make full use of the services and advice provided by or via the ATO.

1 Eligibility to apply for grant

1.1 To be eligible for grant participants must meet the following criteria.

a) A participant must be a UK* based business or organisation that is either actively investigating export opportunities or is already involved in exporting from the UK. If requested, participants must provide UKTI with supporting documents proving that they comply with this requirement. (*Excluding businesses/organisations based in the Isle of Man or the Channel Islands unless UK registered.)

b) A participant must be an SME as defined below or a UK university or UK Government funded centre of higher or further learning, or a UK Government-funded research organisation.

c) A participant must be a new exporter as defined below or have exported for no more than 10 years.

d) Any grant a participant applies for must not result in them breaching the de minimis State Aid limit of €200,000 over any rolling three year period. (These grants are classed as de minimis State Aid by the Commission of the European Communities and all applicants for grant must ensure that they do not exceed the €200,000 limit. EU Regulation 1998/2006 on the application of Articles 87 and 88 of the EC Treaty to De Minimis aid refers.) The only exception to de minimis coverage relates to activities linked to the production, processing and marketing of certain agricultural goods as listed under Annex I of the consolidated version of the Treaty establishing the European Community (consolidated version 1997). TAP grants to relevant businesses covered by Annex 1 must fall within an overall ceiling of support that the European Commission have agreed to cover this specific area. Applicants must take the advice of their local International Trade Team and, if advised to do so, should complete the alternative version of the TAP application form designed to cover businesses in this category.

e) A participant must not receive any other contributions from public funds towards TAP eligible costs in relation to participation at the event named in Section 1 of the Exhibitor Grant Application Form.

f) A participant must not have been fully committed to attend the event prior to seeking UKTI grant.

g) A participant must demonstrate that they:

- are selling products or services originating substantially in the UK; or
- are adding significant value to a product or service of non-UK origin; or
- are enhancing their competitiveness and providing tangible economic benefit to the UK from this trade development activity.

h) Since 1 April 2009 a participant must not have received, been offered or have a pending application for more than eleven grants under these terms and conditions prior to the grant currently being applied for. At least six of the twelve grants must be taken in the high growth and emerging markets listed in the background section above.

i) A participant must take up any non-chargeable offers of assistance made by the ATO or the UKTI regional network that are intended to be complementary to the offer of trade fair support.

1.2 Participants will be ineligible if they do not own the brand they are selling and the brand owner either already exports to the market concerned or withholds permission to export to that market.

1.3 In operating these terms and conditions the following definitions apply.

Definition for Small and Medium Sized Enterprise

- a) Has less than 250 employees.
- b) Has an annual turnover not exceeding € 50m, or an annual balance sheet total not exceeding € 43m.

UKTI reserves the right to review the eligibility of businesses that are distinct and independently operated but are part of or owned by an organisation itself larger than an SME.

Definition for New Exporter

During the past 12 months no more than 10% of turnover resulted from proactive exports (i.e. sales to new overseas customers that have been actively identified by the business) **and** no more than 25% of turnover resulted from a combination of proactive and reactive exports. (Reactive exports would normally result from unplanned approaches from potential overseas customers and from UK-based third parties, or from overseas responses to UK-focused web sites).

1.4 The requirement to be a new exporter or to have been an exporter for less than ten years will be waived where the applicant has not attended the previous edition of the event.

1.5 UKTI is committed to making every effort to assist people with disabilities or long term health conditions to undertake business overseas. Applicants should raise any concerns in this respect directly with their ATO. Any such issues should be raised at least three months prior to the event start date.

1.6 Payment of grant is discretionary and shall be the limit of UKTI's liability to the participant for the exhibition named at Section 1 of the Exhibitor Grant Application Form.

2 Requirements for Eligible Participants

2.1 Participants must also comply with all of the following conditions.

a) Participants must correctly complete a TAP Exhibitor Grant Application Form and submit it via the ATO that is organising a group at the relevant event, **no later than eight weeks** before the event start date.

b) Participants must only promote at the event the business, trading and brand names detailed on their application form.

c) Where any non-UK goods or services are to be promoted participants are able to clearly explain the associated economic benefits to the UK, if required. They must also present themselves at the exhibition as a business/organisation involved in exporting from the UK.

d) Participants must ensure that their exhibition stand or space is manned by at least one dedicated representative for the duration of the exhibition. In the case of exhibitions lasting more than seven days, they may leave after spending seven days at the exhibition but only if they have notified the ATO in writing prior to the opening date.

e) If there is only one individual representing both the participant and any other eligible exhibitor(s), then grant can only be claimed in respect of one of the businesses being represented.

f) UKTI will have no responsibility for insuring any risks associated with taking part in the exhibition. UKTI will not be liable for the consequences of any such risks or any costs incurred. Any insurance required by the participant will be the responsibility of the participant.

g) All participants must submit a completed UKTI Exhibitor feedback form (found on the UKTI website www.ukti.gov.uk/tap) prior to any claim for grant being submitted to UKTI. The final deadline for return of completed feedback forms is one month after the closing date of the event.

h) Participants must register for free full UK Business access on UKTI's website prior to submitting their application.

2.2 Applicants should not assume TAP support has been agreed unless the TAP Team have confirmed applicant eligibility with the ATO. UKTI reserves the right to reject any application that it considers for any reason to be unsuitable.

3 Claiming Grant

3.1 The ATO will claim grant on behalf of the participant [at rates which will be pre-agreed between UKTI and the ATO and usually based on the table below.](#)

Category	2012 Grant Levels	Grant Levels from 1 April 2013	Grant Levels from 1 August 2013
Group Exhibition (typically European location)	£1,000	£1,000	£1,500
Group Exhibition (typically Long Haul location)	£1,400	£1,400	£2,000
Group Exhibition (typically High Growth Markets)	£1,800	£1,800	£2,500
Group Exhibition - First time exhibitor at an event in a High Growth Market	Unavailable	£2,500	£3,000
SOLO	£1,000	£1,000	£1,250

The choice of which of these levels of grant will be offered for a particular event will have been agreed between UKTI and the ATO.

In exceptional cases UKTI's TAP Team will have agreed with ATOs that different levels of grant to those above can be offered for an event, with the intention of allowing a greater incentive for new exporters. **Participants must be able to show that they have paid for eligible costs amounting to at least the value of the grant.** If the ATO does not already have this evidence the participant must provide this to the ATO no later than one month following the end of the exhibition.

3.2 Eligible costs can be in any of the following categories.

Exhibition space costs. This is the actual amount paid by the participant, or the ATO on the participant's behalf, to the commercial organiser of the exhibition* for space at the exhibition venue and any other mandatory charges (e.g. registration fees, catalogue entry charges). These charges will normally be no higher than the rates published by the commercial organiser of the exhibition.

Stand costs. This is the actual amount paid by the participant, or the ATO on the participant's behalf, to the commercial organiser of the exhibition, or to any third party supplier(s) for invoiced costs directly related to:

- stand design;
- physical stand costs, including shell scheme (or equivalent);
- labour costs in relation to physical construction of stand;
- heating;
- power supply;
- carpets;
- furniture hire;
- cleaning;
- internet/phone connection and rental (excluding call charges);
- display aids and graphics, but excluding any products/samples unless they are part of the stand construction;
- security;

- freight costs for stand and stand display items;
- excess baggage charges for stand and stand display items;
- car/van hire and other associated travel costs e.g. fuel (If this option is used, the participant must be able to present a justifiable case, including cost benefits)

Conference Costs. This is the amount charged by the conference organiser for attendance or speaking. It can also include the cost of preparing and transporting literature or display items specifically for the conference.

NB. Recoverable local taxes, including VAT, and insurance costs of any kind will not be considered as part of the total of eligible costs.

*The commercial organiser of an exhibition is the organisation responsible for the commercial arrangements for the whole exhibition. An organisation making a block booking at an exhibition for a UK group, or booking space or stand facilities for individual companies, is not the commercial organiser of the event.

3.3 Once the ATO has claimed grant on behalf of participants the ATO will be responsible for distributing grant to participants within three weeks of the ATO's receipt of the participant grant.

3.4 The participant may arrange with the ATO for any amount owed to them, solely related to the exhibition, named at Section 1 of the Exhibitor Grant Application Form, to be deducted from the grant. The ATO is not allowed to pay any part of a participant's grant to a third party and must not have charged the participant for anything other than costs directly related to the business's supported participation at the event.

3.5 UKTI reserves the right to provide the Commission of the European Communities, or any other organisation which needs the information as part of the process of Government, with information about any grants paid to the participant. UKTI also reserves the right to publish these details without seeking any additional approval from the participant.

4 Non Payment of Grant

4.1 UKTI reserves the right to withhold any or all of the grant, or require part or full repayment of any grant already paid, if at the time of making the application or at any time prior to the start of the event the participant:

- a) has ceased or ceases trading;
- b) is in or goes into liquidation, administration, receivership, bankruptcy or equivalent procedures in Scotland;
- c) is or becomes the subject of a proposal for a winding up order or any other insolvency procedure including individual voluntary arrangement;
- d) is or becomes indebted to any Government department.

4.2 UKTI also reserves the right to withhold any or all of the grant, or require part or full repayment of any grant already paid, if the participant:

- a) fails to comply with any of these Terms & Conditions;
- b) provides false or inaccurate information on the Exhibitor Grant Application Form;
- c) causes embarrassment to Her Majesty's Government, the host nation or other exhibitors in the group, for example by displays of inappropriate or offensive literature, by inappropriate or offensive behaviour, or by the display of products or services of an unacceptably low quality or of an inappropriate or offensive nature. (The final decision on acceptability will rest with UKTI, taking into account the nature of the product, the sensitivities of the host nation and others in the group).

If any of the above circumstances arise, the business may also be excluded from future involvement in this and/or any scheme operated by UKTI.

4.3 UKTI may vary or withhold any or all payments made and / or may require repayment of grant already paid, together with interest from the date of payment, if UKTI is required to do so as a result of a decision by the European Commission or as a result of any obligation arising under Community Law.

Very occasionally there could be difficulties in meeting requirements exactly therefore some stands may be slightly larger or smaller than applied for. In some circumstances, a ballot for the allocation of space may be necessary. While PetQuip will at all times endeavor to meet exhibitor requirements we are unable to guarantee that you will receive space, a specific site or size of stand. Exhibitors will only be charged for actual space allocated. Applications are subject to availability at the time of applying and cannot be accepted if made conditional upon receiving a specific site or set amount of space.
- c. **Liability/insurance.** You accept full liability and responsibility for insurance for any risks associated with taking part in this exhibition including unexpected or uncontrollable events eg war, flood, avalanche, terrorist attack etc. PetQuip will not be liable for the consequences of any such risks or any costs incurred.

- d. **Cancellation.** Any amendment / cancellation by an exhibitor once it has submitted an application to PetQuip will mean retention by PetQuip of the non-refundable management fee and may result in liability for any outstanding payments or costs incurred, including cost of stand space and construction. Any amendment to an application or request to cancel must be made in writing by the exhibitor at the earliest opportunity. All such correspondence will be acknowledged and the outcome notified. If for any reason the trade show is cancelled, any grant/cost adjustments necessary will be considered in light of the circumstances at the time of cancellation.
- e. **Payment terms.** After confirmation of acceptance into the British group you will receive an invoice for your stand. Payment must be made to PetQuip within 14 days of issue or within the terms stated on the invoice. Failure to comply will result in your stand being jeopardised and you might remain liable for the full cost.
- f. **Grant claims.** As a single claim is made on behalf of the whole British group to UKTI you must comply with deadlines for the submission of appropriate documentation/UKTI questionnaires or any right to funding will be withdrawn.
- g. **Terms & conditions.** You must acquaint yourself and comply with conditions laid down by the exhibition organisers, with all local technical requirements and safety regulations. Space-only/self-build exhibitors must also ensure that their independent arrangements do not detract in any way from the overall presentation of the British group. By signing this application you are agreeing to all terms and conditions laid down by the organisers, UK Trade & Investment and PetQuip. PetQuip will not be responsible for any claim arising out of failure to comply.

Section 7: List All "De Minimis" State Aid Received Over Last 3 Years:

The European Commission recognises any type of support given from any public funds to a possible exporter as a State Aid and therefore subject to State Aid restrictions. However, we are allowed to exempt this exhibitor grant under the De Minimis exemption regulation, which allows a business to receive up to a cumulative €200,000 over any rolling three year period.

This section of the form is necessary because any grant giver (in this case UKTI), which employs the De Minimis exemption regulation, is required to ensure that the €200,000 limit will not be breached when they agree an application for grant.

Therefore you will need to record here any public aid you have received over the past three years that may need to be included in your De Minimis threshold. You need not list any aid that has already been specifically exempted in any way other than by the De Minimis regulation or any aid that has been previously "notified" to the Commission.
