

Zoomark International

Bologna, 12–15 May 2011

Padiglione Britannico British Pavilion

Ecco i membri del Padiglione Britannico presenti a Zoomark 2011. Gli operatori leader del Regno Unito si trovano nella Hall 22, dove esporranno linee nuove ed innovative di prodotti per animali.

Maggiori informazioni su queste aziende e su centinaia di altre che rappresentano l'industria britannica dei prodotti per animali sono disponibili gratuitamente presso lo stand informativo di PetQuip (Hall 22 stand C40). Vi invitiamo a farci visita per tutta la durata della fiera.

Here are the members of the British pavilion at Zoomark 2011. These leading suppliers from the UK can be found in Hall 22 where they will be displaying new and innovative ranges of pet care products.

Further details about these companies and hundreds of others in the British pet care industry are available free of charge from the PetQuip information stand (Hall 22 stand C40). You are welcome to visit throughout the exhibition.
