

## Nuremberg, Germany – Tuesday 24 May to Friday 27 May 2022

Nuremberg is once again set to host the world's biggest trade fair for pet supplies which was postponed from 2020 to 24-27 May 2022 due to the coronavirus pandemic. The show will offer your company an ideal platform from which to present products to a qualified professional audience and to boost sales, as more than 38,600 visitors travel to Nuremberg from over 126 countries.

At the last edition of this pivotal bi-ennial fair for British companies, in 2018, the largest PetQuip-organised British group thus far took part and it comprised 56 exhibitors that were located predominantly in the UK pavilion which had a prime spot at the front of hall 9, or they were elsewhere on the Nuremberg site. It was an extremely successful fair for the group and post show feedback was positive with many new distributorships being signed at the show or later as a result of it.

Interzoo is an ideal opportunity to showcase products to the world and is by far the most important overseas exhibition for the British pet care industry with an expanse of over 120,000 square metres of exhibits. Trade buyers visit the show from every continent: 74 per cent of those at Interzoo 2018 came from outside Germany and 94 per cent of the exhibitors made new business contacts and were happy with the quality of visitors met.

No other international trade fair for pet suppliers offers a more comprehensive product spectrum. Themes like equestrian sports, pet food technology, shop fittings, IT systems etc. are represented as well as traditional products for dogs, cats, small mammals, birds, aquaria and terraria.

**“An excellent opportunity to meet with our existing clients and to meet with some new opportunities as well. Our favourite international trade show – always a pleasure to attend.”**

**“Very successful show with great support from PetQuip, as always.”**

**“Interzoo will help raise our profile, credibility and secure orders from new markets we have been exploring for a few months.”**

**“The show is a major platform for all design led pet brands to attend, the visitor has a wonderful opportunity to see a fabulous collection of brands under one roof”**
