Commenting on the launch and the continued success of the event, Pat Flynn, PetQuip trade association manager said: "It is difficult to believe that this is the sixth year that the awards have been staged. Such has been the success of the event that we are being reminded constantly by our friends in the trade that they are eagerly awaiting the next edition of the awards. We plan to make this year's event even more successful. It will be a fun evening of networking between customers and peers in the pet trade and included in the festivities is a pre-dinner drinks reception, a three course meal with wine and the awards themselves. Do come and join us."
